

8 million people
signed up for
health insurance 
under The Affordable
Care Act in 2013-2014.

Have you?

The next chance to buy insurance on the Health Insurance Marketplace is November 15, 2014 - February 15, 2015.

You might be able to buy insurance now if you have a Qualifying Life Event. There is no enrollment deadline for Medicaid & CHIP. You can apply anytime.

If you already have a plan with the Marketplace, you must update to avoid losing your coverage or your monthly premium tax credit. Call us or stop by the office to update information and keep your current coverage.
